

Lights Out, Party On! Get Ready for Eastwood City Blacklight Party

Gear up for another sensational party night this February as Megaworld Lifestyle Malls and Eastwood City bring this year's most spectacular party under the black light.

Partygoers and those looking for a one of a kind Friday night revelry are all invited to let loose and dance the night away at the Eastwood City Blacklight Party—a unique post-Valentine bash happening on February 28, 7PM at the Eastwood Central Plaza.

No less than today's most sought after names in the Metro party scene are coming over to turn the heat up and deliver electrifying live party music from sundown up to the wee hours.

All set to electrify and illuminate the night with their signature club beats are Deuce Manila and DJs Mars Miranda, Nina, Ron Poe and Ace Ramos. Hosting the one-night affair is MC Pao.

Eastwood City Blacklight Party is open to all individuals 18 years old and above. Those looking to join the party can bring a valid ID, which they will have to present at the venue entrance before they can get inside the event area. They are also encouraged to be one with the crowd by wearing either neon or white.

Revelers can enjoy the party vibe all night long while indulging in different mouthwatering dining treats and thirst-quenching beverages from top Eastwood City bars such as Rue Bourbon, Distillery and Publiko.
